ABOUT KERALA GRAMIN BANK

Kerala Gramin Bank (KGB) is a Regional Rural Bank (RRB) formed on 08.07.2013, under the Sub-Section (1) of Section 3 of the RRB Act 1976 (27 of 1976). The bank was formed by amalgamating the two RRBs of Kerala namely South Malabar Gramin Bank and North Malabar Gramin Bank through a notification by the government of India. The bank is jointly owned by government of India, government of Kerala and Canara Bank. It has 634 branches across Kerala and 10 Regional offices, with its headquarters at Malappuram.

1. ABOUT THE RFP

In the context of Financial Inclusion, KERALA GRAMIN BANK envisages extension of Banking & Financial Services to under-banked & un-banked areas through ICT based "branchless banking" model, where integrated Tab/Tablet devices would be used by Business Correspondents and/or their authorized agents to deliver financial and banking services. Bank has already implemented ICT based solution in allotted Sub Service Areas and in other areas as decided by the Bank.

The technology architecture supporting this strategy involves a combination of various technologies like kiosk model, Tablet, contact / contact-less cards, biometric identification and authentication, etc. These technologies will support online transactions and operations.

The proposed RFP has been floated with the objective of increasing the reach of banking services to the underprivileged, particularly in unbanked and under banked areas as well as to provide banking and financial services using innovative channels on HYBRID OPEX model.
